Cutting:

For Borders ~ Cut the following:

- Cut 6 strips - 2.5" x 42" wof for the borders.

Only if using yardage for Background ~ Cut the following:

- Cut 6 strips - 10" x 42" wof. Subcut into (24) 10"x10" squares.

Assembly: *After making the half-triangle squares - HTSs - all seams are a scant 1/4".*

Layer 1 Print and 1 Background square - 10" x 10" - with right sides together. Make 24 pairs. Pin one Recipe 5 paper on top of the lighter fabric and stitch on the dotted lines - stitch 24 recipe cards.

Cut the grids apart on the solid lines. Press the seams to the darker fabric with paper still on. Remove paper. Assemble the four-patches - make a total of 96. Trim the points on the HTSs.

Which Way to the Slope? was made using Block 3 on the Cake Mix 5 cover.

To make 1 block - select 2 matching four-patches and 2 matching HTSs. Using a scant 1/4" seam allowance, make 48 blocks. The blocks will measure 7 1/2" x 7 1/2" - to finish at 7" x 7".

Lay out the blocks in eight rows of six blocks each, alternating the direction as seen in the project image.

Join the blocks to make rows. Press the seams in one direction - pressing the seams of alternating rows in the opposite direction. Or press the seams open.

Join the rows to complete the quilt top. Press the seams in one direction - or press them open.

Join the six 2.5"x42" wof strips end to end to make one long strip.

Cut the following lengths:

Sides: Cut 2 strips - 2.5" x 47"

Top & Bottom: Cut 2 strips - 2.5" x 56 1/2"

Join the border strips to the sides of the quilt - press the seams toward the border. Now join the top and bottom borders to the remaining sides of the quilt - press the seams toward the borders.

Quilt and bind as desired.
