## FABRIC REQUIREMENTS

- **(9)** Moda Charm Packs or **(15)** Light Fat Quarters and **(13)** Dark Fat Quarters
- ⅝ yard Binding
- 5½ yards Backing
- 68" × 80" Batting

*TIP: This quilt was designed to use Charm squares. The setting triangles don't include a ¼" seam allowance, resulting in cut-off block points along the outside edge of your quilt top—which was the designer's intent. If you wish, select a coordinating ¾ yard print. Cut (4) 6" × WOF strips. From strips, cut (20) 6" squares; cut each in half diagonally for (36) setting triangles and (4) corner triangles. Since corner triangles will be oversized, trim them even with the sides of the quilt top before quilting. This replaces the (20) light Charm squares cut in half diagonally in step 1 of CUTTING.*

## CUTTING

WOF = width of fabric

If using fat quarters, from each, cut (3) 5" × 22" strips. From strips, cut (12) 5" × 5" squares.

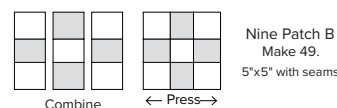

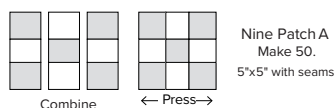

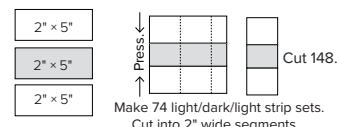

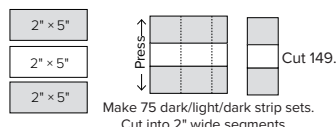

1. From the light Charm squares:
  - Select **(20)** and cut in half diagonally (see *TIP*).
  - Select **(112)** and cut **(223)** 2" × 5" rectangles.
2. From the dark Charm squares:
  - Select **(112)** and cut **(224)** 2" × 5" rectangles.
3. From the binding fabric:
  - Cut **(7)** 2½" × WOF strips.
