

Little Gatherings II

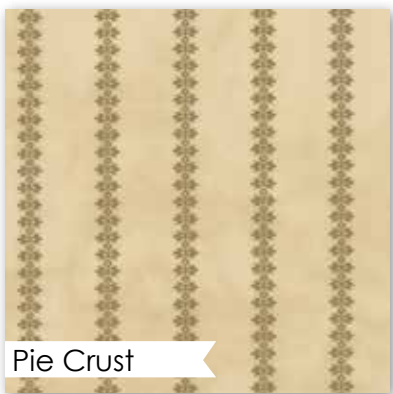

PRIMITIVE GATHERINGS

It's been five years since Lisa Bongean of Primitive Gatherings debuted her assortment of good, old-fashioned basics - Little Gatherings. Since there are never enough backgrounds, it's time for some new prints in Lisa's ever-popular color palette of tea-dyed tans, "true black", and rich, dark-roast-coffee brown. The prints and colors are perfect for every style of quilt from antique low-volume quilts to blocks of the month with lots of colorful applique - cotton and wool. It's time to get back to the basics with these Little Gatherings II.
