W

ordsmith (n.) one who creates with words

The Wordsmith is about cherishing the simple things in life. It's about love letters, little notes and finding pressed flowers in favourite books. Now's the time to quieten your mind, gather your memories and slowly piece them together with beautiful fabrics to create a lasting cloth to be treasured by generations to come: a quilted memory to cherish.

So come, gather your letters and your threads and be a wordsmith with me.
