

Easy Living Toweling

Pieces to Treasure

Let's face it, sometimes life can be hard. When it gets tricky, it's nice to have soothing colours and beautiful things around you, just to make everything a little bit easier.

With that in mind, I have designed Easy Living Toweling. Classic stripes and checks woven in neutral colours of flax, silver, off-white, and a soft, washed black, all teamed with a calming sky blue.

As with my other collections, these toweling fabrics mix well with all styles of printed fabrics to make throw pillows, appliqué table runners, placemats, table napkins, bags and even for simple dish cloths and tea towels.

I hope you find these fabrics just as easy to live with as I do. Happy sewing. - Jenelle Kent
